

Statement of Commitment to Child Safety

i'ara Specialist Support Coordination

i'ara Specialist Support Coordination is committed to the safety, wellbeing and empowerment of every child and young person who engages with our service.

Our Commitment

- We have zero tolerance for child abuse and neglect.
- We uphold the rights of the child as set out in the United Nations Convention on the Rights of the Child.
- We recognise the specific cultural safety needs of Aboriginal and Torres Strait Islander children and young people.
- Every concern for a child's safety is taken seriously and acted on without delay, regardless of who raises it.

How We Keep Children Safe

All i'ara staff who may have contact with children hold current, jurisdiction-appropriate Working with Children checks and NDIS Worker Screening Checks. Our staff receive regular training on child safety, and we have clear processes in place for responding to any concern, disclosure or suspicion of harm.

If You Have a Concern

If you have a concern about the safety of a child, please contact us at hello@iarasupport.com.au or speak with your Support Coordinator. If a child is in immediate danger, please call 000.
